

Ebrahim Jamali

Islamabad, Pakistan · +92 323 812956 · jamaliyaati@gmail.com · jamaliyaati.site

Developer, photographer, and visual storyteller with a track record spanning technical systems, humanitarian communications, and international climate advocacy. Combines precision in 3D modelling and custom scripting with creative expertise in videography and digital design.

EXPERIENCE

Freelance Developer & 3D Modeler

Aug 2023 – Aug 2024

Self-Employed (Remote)

- Designed and delivered custom vehicle assets and 3D models for FiveM environments, working directly with server stakeholders to meet precise technical specifications.
- Built and maintained server-side scripts to optimise gameplay infrastructure and overall user experience.

Volunteer Organizer

Aug 2022 – Present

Madat Balochistan — Non-Profit, Hybrid

- Lead digital communications and multimedia production to expand the organisation's humanitarian reach across borders.
- Manage cross-regional fundraising and partnership development, representing the platform at international collaborative forums.

Climate Research Volunteer

Dec 2024 – Dec 2025

Fridays For Future Pakistan — Remote

- Catalogued the structural causes and environmental impacts of climate disasters in Pakistan, translating findings into educational content for national digital campaigns.

Youth Delegate

Nov 2024

UN Climate Change Conference COP29 — Baku, Azerbaijan

- Represented Evangelisches Studienwerk at UNFCCC COP29, advocating for youth framework inclusion and actionable human rights integration within climate policy.

Social Media Marketing Intern

Aug 2023 – Oct 2023

CollegeSync.Co — Remote

- Managed content scheduling and B2B outreach funnels, maintaining brand consistency across primary social channels and scaling inbound corporate queries.
